1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)

office@huncote.embracemat.org

3.5 Class teachers

Class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office by the end of morning and afternoon registration times.

3.6 Admin/office staff

Admin/office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the attendance officer, class teacher or Headteacher where appropriate, in order to provide them with more detailed support on attendance

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (ie lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 9am on the day of the absence and each subsequent day of absence, advising when they are expected to return
- Provide the school with more than one emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting your child's class teacher in the first instance or the Headteacher.

3.8 Pupils

Pupils are expected to:

- Attend school every day, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

Attendance data is reported daily to the Department for Education (DfE) inline with statutory guidance.

See Appendix 1 for the DfE attendance codes.

We will also record:

- For pupils of compulsory age, whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8:45am and ends at 3:15pm. Pupils must arrive in school by 8:45am on each school day. We have a soft start to the school day where the gates open at 8:35am and close at 8:45am.

The register for the first session (morning) will be taken at 8:45am and will be kept open until 8:50am. The register for the second session (afternoon) will be taken at 1:15pm and will be kept open until 1:20pm.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 9:00am, or as soon as practically possible, by calling the school the school office, contacted via 0116 286 4105 or by sending a Class Dojo message to the office.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised, and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

Parents should contact the office in person or by calling 0116 286 4105 and notifying the school.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. See section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

If a pupil is persistently late, parents will be contacted to discuss what is keeping the pupil from

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may conduct a home visit. If a child's whereabouts cannot be established and there is no explanation, schools must consider whether the child is at potential risk of harm and therefore Children's Social Care and /or the Police may be contacted.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals

- Where support is not appropriate, not successful, or not engaged with: a notice to improve, penalty notice or other legal intervention may be applied as appropriate. (See section 5.2 below).

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels termly. This will usually be at the Autumn and Spring parents evening appointments and in your child's end of year report. However if issues with attendance are recognised such as being at risk of being persistently absent or becoming persistently absent, parents will be contacted more frequently until this is improved.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for. A leave of absence should be rare, time-limited, and unavoidable. The Headteacher will consider each request individually and does not have to agree to the leave of absence, even if circumstances apply.

We define 'exceptional circumstances' as:

Serious Family Illness or Medical Treatment

- A parent/carer or sibling has a serious or life-threatening illness
- The child needs to be present for essential emotional support
- Medical appointments cannot be arranged outside school hours
- Hospital treatment requiring travel or recovery time

✓ Evidence is required (appointment letter, medical note)

Bereavement

- Death of:
 - A parent
 - Sibling
 - Grandparent
 - Close family member
- Attendance at funerals or related arrangements

- Additional time if the child is significantly affected emotionally

Exceptional Family Events

- A parent in the armed forces returning from active duty
- A significant, once-in-a-lifetime family event
- Where failure to attend would cause serious distress

Religious Observance

- Important religious festivals or events
- Events recognised by the family's faith community

Court or Legal Requirements

- Attendance at court
- Legal proceedings involving the child or family
- Required meetings with legal professionals

Emergency Situations

- Family crisis (e.g. house fire, sudden safeguarding incident)
- Unforeseen circumstances requiring the child to be with family immediately

Exceptional Educational Opportunities

Examples:

- National-level sporting events
- Performances or competitions at elite level

✓ Evidence required

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, a leave of absence will not be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office. The headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting positive attendance

Huncote Primary School is committed to promoting high levels of attendance and punctuality for all pupils. We recognise that regular attendance is essential for pupils' learning, wellbeing, and safeguarding, and that positive attendance is best achieved through strong partnerships between school, pupils, and families.

The school adopts a supportive, proactive and inclusive approach, recognising that attendance difficulties may arise for a range of reasons and that early identification and intervention are key.

6.1 Creating a Positive Attendance Culture

- Attendance is promoted as a whole-school priority and a shared responsibility.
- Pupils are supported to understand why attending school every day is important through age-appropriate discussions, and assemblies.
- Staff model and reinforce positive attitudes towards attendance and punctuality throughout the school day.

6.2 Celebration and Recognition of Attendance

- Each class's attendance percentage is shared weekly to encourage collective responsibility and teamwork.
- A point is awarded each week to:
 - The class with the highest attendance.
 - Each class who has 96%+ attendance.
- Once a class reaches the top of the attendance chart they can plan a reward with their class teacher (e.g. movie afternoon, games afternoon, picnic on the field).

In addition:

- Individual pupils' attendance is celebrated where there has been a marked improvement from one term to the next.
- This may include:
 - A positive letter home to parents/carers.
 - A supportive conversation with the Headteacher to reinforce progress and encourage continued improvement.

The school values improvement as well as high attendance, recognising effort and resilience, particularly where pupils have overcome barriers to attending school regularly.

6.3 Working in Partnership with Parents and Carers

- Clear expectations about attendance are shared through the school website, policies, newsletters, and regular communication.
- Parents/carers are encouraged to inform the school promptly of any absence and to work with the school where attendance concerns emerge.
- The school maintains a consistent and supportive first-day response to unexplained absences to ensure pupil safety.

6.4 Early Identification and Support

- Attendance is regularly monitored to identify patterns or early signs of concern.
- Where attendance begins to fall, the school will seek to understand any underlying reasons and offer support as early as possible.
- Support may include:
 - Informal discussions with parents/carers.
 - Short-term attendance targets.
 - Pastoral or emotional wellbeing support.
 - Adjustments to support pupils with SEND or medical needs.

The school recognises that some attendance issues may be linked to anxiety, mental health, family circumstances, or wider safeguarding concerns and will respond accordingly.

6.5 Pastoral and Targeted Support

- Pupils experiencing difficulties attending school may be offered additional pastoral support, including emotional regulation and wellbeing interventions.
- Where appropriate, a personalised plan may be put in place to support attendance.
- Any agreed support will be reviewed regularly and adapted as needed.

6.6 Use of External Support

- Where attendance concerns persist despite school-based support, the school may seek advice or involvement from external agencies, including the Local Authority Attendance Team or other relevant services.
- This will always be done with the child's best interests at the centre and in line with statutory guidance.

6.7 Safeguarding and Attendance

- The school recognises that poor attendance or unexplained absence may be a safeguarding indicator.
- Where a pupil's attendance raises safeguarding concerns or their whereabouts cannot be established, the school will take immediate action in line with safeguarding procedures and statutory guidance.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

Where a pupil is absent due to complex barriers to attendance, the school will hold a meeting with the pupil at risk of persistent or severe absence and their parents to understand what barriers to being in school there are and agreeing actions and/or interventions to address these. These may include but are not limited to, providing a 'meet and greet' at the school gates, pairing the pupil with a buddy in class, ensuring pupils know they can speak to any member of staff with whom they have confidence in (and that the staff member will consult a trained mental health team member should they need further assistance). This may also include referrals being made to outside services and organisations that can provide support.

7.2 Pupils absent due to mental or physical ill health or SEND

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will work together with the pupil and their parents to find effective interventions to support the child attending school. These could include but are not limited to a 'meet and greet' at the school gates, attending drawing and talking sessions, having a play focussed session, having group social skills lessons, offering 1:1 and/or group 'catch-up' sessions on core content missed (reading, writing, maths, science) as it is recognised a barrier to returning may be that the pupil feels overwhelmed by the content they have missed. Where no improvement is made the school can inform the local authority.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

Where a pupil is returning to school after a lengthy or unavoidable period of absence, the school will meet with the pupil and their parents to agree on actions and intervention to put in place to support the pupil return to school. These actions/interventions could include but are not limited to, a planned phased return, a 'meet and greet' at the school gates, a buddy in the classroom, time with the wellbeing ambassadors, ensuring pupils know they can speak to any member of staff with whom they have confidence in (and that the staff member will consult a trained mental health team member should they need further assistance) and offering pupils 1:1 and/or group sessions with the ELSA team which provide an escape from the pressures of school life for the pupil and help them with any feelings of anxiousness they may be feeling.

8. Attendance monitoring

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to certain aspects of its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against national levels to identify areas of focus for improvement and share this with the local governance committee.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers, to facilitate discussions with pupils and families, and to the local governing committee and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
 - Create an attendance improvement plan
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by the Trust Leader. At every review, the policy will be approved by the board of trustees.

10. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy
